We hope our readers will bear with us a few weeks as regards the pressure of advertising on our reading matter when the trouble will be obviated by the enlargement of our paper.

## Personals.

We forgot to note last week a call from Mr. E. M. Watson, late of the Blanco Star office.

Mr. L. A. L. Jamkin, representing the house of W. D. Cleveland, Houston, called on us on Thursday.

Messrs. Giesen and Johnson, merchants of this place, are in New York for the purpose of laying in their fall stock.

We learn that Col. Jackman, during his absence at the State convention, had a valuable horse stolen from his premises.

The poem in another column, over the signature of Miss Clara E. Eichelderger, we think is a quite creditable production.

Meisack Von Randau, the celebrated artist, has taken to wife a fair daughter of New Braunfels and gone to housekeeping in our midst. May they live long and prosper.

A street running direct from the depot will tap Major Ragsdale's land adjoining town, and he will be ready to lay it off into lots to suit purchasers. They will be very convenient and desirable.

By a circular just received, Prof. S. H. Dixon is announced as principal of the Bremond High School, with Mrs. Virginia A. Dixon, Miss Nannie Wagner and Miss Ella Scott as assistants. The school is to open on the 30th inst. We wish the Professor success.

Dr. Erhard writes us from Bastrop that a company is forming there, called the "Tanner Club," who design making an excursion to the upper country. Persons wishing to join must do so before September 1st. We regret that want of space will not permit the publication of the Doctor's note in full.

Mrs. Duncan has decided again to open a school of her own, and has already, a goodly number of pupils enrolled. Time of commencement and location will be given hereafter. The "girls and boys," with whom she has long been so great a favorite as a teacher, will be delighted to hear of her new enterprise.

Prof. J. B. Winn, Superintendent of the Austin Graded School, has favored us with a copy of the circular of that institution, which appears to be thoroughly organized and equipped for duty. We notice that the tuition in the first grade is only \$1.50 per pupil per month. It ranges also from only \$1.25 to \$1.50 in New Braunfels, Bastrop, &c.

"Kyle" is to be the name of the new station on the Blanco, as decreed by the railroad authorities, in honor of Capt. Kyle, on whose land it was located. It lies three miles below Mountain City, and is a very eligible situation, with plenty of water within easy reach. We presume there will soon be a post office there, and that a thriving country village—another "Sweet Auburn"—may spring up round about it. We hope such may be the case, and that our friend Kyle may live to be the patriarch of the same.

### I Love My Native Home.

O! tell not of a brighter land,  
Beneath a milder sky,  
For on that lonely, distant strand  
My weary breast would sigh—  
Sigh for my own, my native air—  
Though softer breezes murmur there.

Tell not of joys so far away,  
Nor bid my feet to roam,  
Though I am lonely, I still would stay  
Near my loved native home;  
For still a ray of glory beams  
Where first I woke to childhood's dreams.

Though all my brightest hopes are fled,  
'Tis sweet to linger here,  
And though my dearest friends are dead,  
My own native home is dear;  
Then tell not of a brighter strand—  
My grave should be in this dear land.

CLARA E. EICHELDERGER.

DR. STODDARD, dentist, of Austin, late of New York City, accompanied by Dr. Patten, is here on an introductory visit and stopping at Hofheinz' Hotel. They are supplied with everything necessary to the successful practice of the profession. An elegant chair of the latest improved design, nitrous oxide (laughing gas) apparatus for the painless extraction of teeth, and the best material and appliances for the construction of artificial teeth. Call soon—they will remain but a few days.

P. R. TURNER received the first bale of new cotton on the 11th inst. and shipped to the large cotton house of W. D. Cleveland, at Houston, Texas. The cotton was raised on Mr. W. S. Jackson's farm, 5 miles southeast of San Marcos. Mr. Jackson is one of the best farmers in Texas, this being the third year that he has been in the front rank with the first bale.

A "STAR WOOD PUMP," manufactured by Powell and Douglass, Waukegan, Ill., the best out, for sale at the FREE PRESS office, where it may be seen.

SINGLE copies of the FREE PRESS for sale at the office, five cts each.

## A Great Commercial House at Houston.

We invite the special attention of our readers to the advertisement in our columns this week of W. D. CLEVELAND, Wholesale Grocer, Cotton Factor and Commission merchant, Houston, Texas. He is just moving into his new building, which is probably the largest and most attractive store in his line of business in Texas. Any of our readers when visiting Houston would do well to give him a call, and inspect the building in all its appointments. The proprietor will take pleasure in showing them proper attention, whether they desire to do business with him or not. Houston made a brave showing last year as a cotton mart, and when she, through one of her foremost commercial representatives, thus challenges custom from our people, we think the appeal should be heard and heeded.

SAN MARCOS, Aug. 9th, 1880.  
H. B. COFFIELD, Esq. —We the undersigned citizens of San Marcos, and Hays Co., feeling a deep interest in the public welfare, and being exceedingly anxious to see the criminal laws enforced, and order maintained in our midst, and having confidence in your ability and honesty of purpose, and believing also that you have the will and nerve to discharge your duty, under all circumstances, we respectfully request that you allow your name to be placed before the people for the office of County Attorney. Hoping to hear from you at an early day upon the subject, we remain, Your friends and ob't servants,  
A. N. DENTON.

[And upwards of 80 others whose names are omitted.]

The Democracy of the several justice precincts are requested to hold primary meetings and select their delegates to said convention at as early a day as practicable in order that a full attendance and fair representation may be had.

We want not only correspondents from other parts of the county, but also the co-operation of our friends of this place and vicinity in gathering local news. Our duties of necessity confine us mainly to our office, and our friends outside can aid us very much by giving us information of any matter of interest which may come under their notice, or of which they may hear. Will not they take this much trouble in order to add to the interest of their home paper?

### Hancock and English Union March.

Ludden & Bates, Savannah, Ga., the great Music Publishers of the South, true to their business enterprise, open the ball with the finest Campaign March that has been or probably will be published. Campaign music is generally, simply trash, but the composer, [L. M. French], has put his heart into this and given us a March that will cause thousands to keep step to the Music of the Union. The elegant title page bears life like lithographs of our next President and vice President most happily framed with appropriate and patriotic utterances. Its popularity is already assured through its adoption by hundreds of Hancock Clubs and under its inspiring strains resounding from thousands of Bands. Pianos and organs throughout the Union the Soldier Statesman will "Forward March" into the White House. Send 40 Cents and secure a copy at once.

### Physicians of Long Practice.

In regard to the administration of "Compound Oxygen," the new remedy for chronic ailments, which is attracting so much attention, we wish to say that we are physicians of long practice and experience, not vendors of a patent medicine. Our business is to cure diseases. There has come into our possession a knowledge of the way in which to combine oxygen and nitrogen, the two elements which make up our common or atmospheric air, in such proportions as to render it much richer in the vital or life giving quality. It contains no medication, neither the elements of pure air are medicated, and its administration introduces nothing into the body which the system does not welcome as a friend, accept with avidity, and appropriate as entirely homogeneous to itself. You will find many of these results recorded in our Treatise on "Compound Oxygen," which is sent free. Address: DR. STARKY & FALEY, 1107 and 1111 Girard St., Phila., Pa.

## "Save Your Hair." Keep it Beautiful.

The "LONDON HAIR COLOR RESTORER" is the most delightful article ever introduced to the American people and is totally different from all other Hair Restorers, being entirely free from all impure ingredients that render many other articles for the hair obnoxious. Where baldness, or falling of the hair exists, or premature grayness, from sickness or other causes, its use will restore the natural youthful color, and cause a healthy growth, cleansing the scalp from impurities, dandruff, &c., at the same time a most pleasing and lasting hair dressing, fragrantly perfumed, rendering the hair soft and pliable, making it an indispensable article in every toilet.

Ask your druggist for London Hair Color Restorer. Price 75 cents a bottle. Six bottles, \$4. Main Depot for the United States, 330 North Sixth St., Philad'a.

### Itching Piles—Symptoms and Cure.

The symptoms are moisture, like perspiration, intense itching, increased by scratching, very distressing, particularly at night, as if pin worms were crawling in and about the rectum; the private parts are sometimes affected; if allowed to continue very serious results may follow. "DR. SWAYNE'S ALL HEALING OINTMENT" is a pleasant sure cure. Also for Tetter, Itch, Salt Rheum, Scald Head, Erysipelas, Barber's Itch, Blotches, all Scaly, Crusty, Cutaneous Eruptions. Price 50 cents, 3 boxes for \$1.25. Sent by mail to any address on receipt of price in currency, or three cent postage stamps. Prepared only by Dr. Swayne & Son, 330 North Sixth Street, Philadelphia, Pa. Sold by all prominent druggists.

SWAYNE'S PILLS are the best for all bilious disorders. Cure Sick and Nervous Headache, Dyspepsia, Indigestion, ward off Malarial Fever, cleansing the system and bowels of all impurities, restoring to healthy activity all the organs of the human body. Price 25 cents a box, five boxes \$1.

### "A Bad Cold or Distressing Cough."

Dry, parched, sore throat, pneumonia, bronchial and asthmatic attacks, weakened and debilitated state of the system, all these dangerous symptoms are cured by "DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY." The first dose gives relief, and the worst cough and sore lungs yield to its healing properties. An occasional dose of "SWAYNE'S PILLS" should be taken to keep the bowels free. They are excellent for torpid liver and bilious complaints.

A Frankfort [Ky.] Physician writes: Some months ago the daughter of one of our prominent citizens was pronounced a hopeless consumptive. She was very much reduced in flesh, terrible cough, her life gradually wasting away. I recommended her to use "Dr. Swayne's Compound Syrup of Wild Cherry," which she did. In a short time she was free from all cough and other symptoms, and is now robust and healthy. Price 25 cents and \$1.00 a bottle, or six bottles \$5. The large size is the most economical. Prepared only by Dr. Swayne & Son, Philad'a. Sold by druggists.

COMMISSIONERS' Court was in session this week. We have not space in this issue to note its proceedings.

Customer—"Why are 'Malt Bitters' so popular?"  
Druggist—"Because, as a Food Medicine, they enrich the blood, harden the muscles, quiet the nerves, perfect digestion."
